Radiation Free Steel Products

Algoma Steel Inc. is committed to achieving excellence in Health Safety and Environment by providing and maintaining safe and healthy working conditions.

Algoma Steel Inc. is an integrated steel producer based in Sault Ste. Marie, Ontario, Canada.

Revenues are derived primarily from the manufacture and sale of hot and cold rolled steel products, including hot and cold rolled sheet and plate.

Algoma Steel Inc. is committed to the production of radioactive free steel products. Algoma Steel monitors all incoming scrap for radiation and has measurement systems in place to ensure that finished products are radiation free.
